Letter to My Parents™ Contest in Hawai'i 2019

— CONTEST GUIDELINES —

1. INVITATION

It is impossible to live fulfilled lives without our parents. Family has always been the basis of society. Family unity is what helps people grow both as individuals and as members of society. However, today – in the more individualistic society we live in – it seems that the role of the family is changing.

Thus, **Kalamansi Books and Things, Filipino Association of University Women (FAUW), and Reiyukai America** is pleased to invite you to participate in the **2019 Letter to My Parents Contest™ in Hawai'i** with a vision and strong wish to maintain healthy family relationships and improve communications within the family.

2. PROCEDURE

To participate, a contestant must write a letter dedicated to his/her parent(s) or legal guardian(s) and submit it to the Organizing Committee. The submitted letters will go through several selection processes in order to be accepted for the final presentation. The letters that qualify will be read by the original writers in front of the judges who will then select the award recipients.

3. PRIZES AND AWARDS

The ten finalists will be receiving the following prizes.

- A \$50 Gift Certificate.
- An opportunity to be published in digital and print format.
- A certificate of participation.

The judges will select three award recipients based on different categories. Each of the winners will receive a prize of \$500.

4. PARTICIPATION

Participants between the ages of **14 to 22**, residing in the State of Hawai'i, can participate in this contest (High School and College Students). Please be aware that participants 17 years old or under must submit a Parental/Guardian Consent Form giving them permission to participate in the contest. Contestants from previous years may participate by submitting a different letter.

5. WRITING A LETTER

As mentioned above, the submitted letter must be written with the intention of maintaining a healthy family relationship and/or improve the current family relations.

5.1 Guiding Questions

The contestant is required to submit her/his work illustrated with concrete examples from his/her personal family life—reflecting on family relations and interactions.

The participant may use one or more of the suggested guiding questions to write the letter:

- What do my parent(s) mean to me?
- What would I like to do for my parent(s)?
- How have my parents' experiences and influence affected or shaped the person I am today?
- How I can improve relationships in my family?

5.2 Structure

The submitted letter must contain the following three components.

- 1) Name(s) to whom it is addressed.
- 2) A narration of one or more significant family experiences.

- 3) A proposal – either implicit or explicit – that suggests how to improve or maintain a positive relationship within the family. A proposal can be considered as a new family tradition that contestant would like to bring into the family.

5.3 Language

The participant may choose one or a combination of languages that are used in the State of Hawai'i. If any other language besides English is used, the participant must provide the English translation.

5.4 Format

5.5 Content

Each participant must submit a letter that is clear, honest, sincere, completely written in one's own words, and based on his/her personal experiences. Letters based on fictitious events or happenings will not be accepted.

5.6 Evaluation
